## YOU CAN SUPPORT OUR LIFE-CHANGING WORK BY MAKING A GIFT TO NAMASTE GLOBAL VISION

Your gift can go towards an area of special interest to you. For example:

- Organizational and leadership development training for specific groups of animal stewards:
  - Veterinary Practices
  - · Veterinary School Students
  - Shelter and Rescue Employees
  - Sanctuary Directors
  - Foundation Leaders
  - Service Animal Training Staff
  - · Wildlife Rescue Workers
- Gifts designated to "care for the most urgent animal needs" will help us identify and train those
  who will summon broader recognition and support to some of the most dedicated leaders
  supporting centralizing emergency procedures, strategies and plans of action that will more
  effectively respond to those needs.

YOU CAN SUPPORT OUR LIFE-CHANGING WORK BY MAKING A GIFT TO NAMASTE GLOBAL VISION

Chimfunshi Video Project: Namaste Global Vision showcases premier animal steward
breakthroughs that have lasting impact of a change culture that betters the lives of
animals and their stewards geographically and worldwide. The video project will allow for
Chimfunshi to chronicle their work done in building a sanctuary for chimps and other
African wild life in a positive environment that employs many indigenous community
members. This video is an educational tool that will serve as a model for many
sanctuaries in how to evolve best practices.

Your gift is an investment in all the animals having better lives, their stewards who will make those conditions reliable and sustainable and in our providing integral leadership training to the steward community, the missing link in revolutionary next step of human-animal bonding that will help reverse the trend of worst practices, mediocrity and extinction. It also helps keep state-of-the-art services local and available to all.

Namaste Global Vision is a 501(c)(3) charitable organization. http://www.namasteglobalvision.org/donate.html
